

General Notes:

- All dimensions are in millimeters.
- All levels are in meters.
- This drawing is a copyright and property of the Landscape architect and is not to be produced, copied, handled over to third party or used for any other purpose other than for which it is intended.
- This drawing is to be read and not to be scaled.
- The Contractor / Project Manager must check all dimensions and details and be responsible for the same. Any discrepancy shall be brought to the notice of the Landscape Architect.
- This drawing shall be read in conjunction with all relevant architecture, civil and services drawings. Any discrepancy noticed shall be brought to the attention of the consultants and revised as soon as possible but always prior to proceeding with the works.
- All the services are to be carried out after services provisions.
- Drawing approval is for the conformity with outline design intent and does not relieve the contractor/ subcontractor from full responsibility for the accuracy, integration and fitness for purpose of design.
- Construction Management/ Project Management to be done within 7 working days of receiving the drawing on coordination and building issues otherwise it shall be deemed that they have understood and accepted the drawing/ design and own full responsibility for the works carried out accordingly.
