CERTIFICATE
(अनुसूची-13.2)

(The certificate to be submitted with the application for building permission along with the building drawings and Building Information Schedule.)

I hereby certify that the structural and foundation design of the building for which this plan is submitted for approval satisfy the safety requirements as stipulated in the Indian Standard Codes, guidelines and documents specified in the Annexure-1 of the Building Bye-Laws regarding earthquake safety requirements and the information given in the attached Building Information Schedule, is fully correct to the best of my knowledge and understanding.

It is also certified that the structural design including safety from natural hazards including Earth Quake has been prepared by duly qualified graduate Civil Engineer along with their Graduate Diploma or Degree in Structural Engineering from a recognized University.
