Key Plan

The key plan shows a rectangular site with a red-shaded area representing the proposed development. The development is divided into two main sections: a larger rectangular area on the right and a smaller, more complex area on the left. The larger area contains several rectangular buildings with internal cross-hatching. The smaller area contains a single rectangular building. A parking area is located between the two development sections. A road runs along the bottom and left sides of the site. A north arrow is located in the bottom right corner, pointing towards the top right of the page.
