

D.A. ENGINEERS & DEVELOPERS PVT. LTD

Latter No : _____

Date : ___/___/___

We plan on various matters, which are as follows: -

1. **Waste Disposal Plan**:- The sewer for disposal of wastage will be connected with Government sewer line by our project.
2. **Water Plan**:- 50000 gallon water tanks have already been established at south city & nearby areas. Supply will be made from these gallon water tanks.
3. **Electricity Plan**: Electricity connection will be independent & every flat holder will arrange the same himself/herself. Only transformer will be established by us.
4. **Development plan**: Development will be done as per BDA norms. Roads, earthwork fittings, boundary walls etc. will be done as BDA norms.
