Subject – Objection raised Letter No.9860/UPRERA/2019-20 regarding promoter Om Shanti Developer & Ashish Hazela

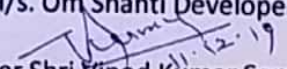

Sir,

We have a partnership firm under the title M/s. Om Shanti Developers which was formed dated 21st day of April 2010 . At the time of formation, Ashish Hazela was the partner in the partnership firm and after he got retired from the firm dated 14th day of December 2011. All the purchase registry was made in the name of the firm, so the property belongs to the firm as all the legal documents shows that the land is registered in the name of Om Shanti Developers.

As per your query no.04 that land belong s to Om Shanti Developers & Ashish Hazela both is incorrect. Land belong to Om Shanti Developers only, For this I Have uploaded Partnership Deeds showing the admission and retirement of the partners, Copy of registries showing that the land is purchased in the name of the firm and uploaded the copy of Khatoni too which shows the mutation is done in the name of the firm Om Shanti Developers.

Thanking you

For M/s. Om Shanti Developers
