NOTES

- All works to be completed with relevant structural drawings.
- Contractor to be coordinated with relevant structural drawings.
- Contractor to be coordinated with relevant electrical drawings.
- Contractor to be coordinated with relevant mechanical drawings.
- Contractor to be coordinated with relevant civil drawings.
- Contractor to be coordinated with relevant plumbing drawings.
- Contractor to be coordinated with relevant fire drawings.
- Contractor to be coordinated with relevant lift drawings.
- Contractor to be coordinated with relevant security drawings.
- Contractor to be coordinated with relevant communication drawings.
- Contractor to be coordinated with relevant data drawings.
- Contractor to be coordinated with relevant power drawings.
- Contractor to be coordinated with relevant lighting drawings.
- Contractor to be coordinated with relevant audio-visual drawings.
- Contractor to be coordinated with relevant IT drawings.
- Contractor to be coordinated with relevant other drawings.
