

Sheets 1/2

1. This plan is prepared in accordance with the provisions of the Punjab Building Act, 1960 and the Punjab Building Rules, 1961. It is submitted for the approval of the competent authority. The applicant is responsible for the accuracy of the data furnished and the compliance of the plan with the provisions of the Act and Rules. The Engineer is not responsible for any error or omission in the plan or for any consequences arising therefrom. The plan is valid only for the purpose for which it is submitted and for the area and extent shown. It is not to be used for any other purpose without the written consent of the Engineer. The plan is to be returned to the applicant on the date of completion of the work. The plan is to be kept in the office of the Engineer for a period of one year from the date of completion of the work. The plan is to be destroyed after the expiry of the said period unless it is renewed or extended by the Engineer. The plan is to be kept in the office of the Engineer for a period of one year from the date of completion of the work. The plan is to be destroyed after the expiry of the said period unless it is renewed or extended by the Engineer.
