GENERAL NOTES :-

- All dimensions are in feet and inches.
- Do not scale this drawing follow written dimensions only.
- This drawing shall be used in conjunction with other architectural, structural and services drawings.
- Any discrepancy in the drawing should be immediately brought to the attention of the architect.

Architectural Drawings should be followed for the location of structural and necessary construction approval also if reinforcement shall be followed as structural or other relevant drawings.

Coordination with other services drawings such as electrical, mechanical, plumbing etc. is the sole responsibility of the contractor.

The details follow large scale detailed drawings.

WARNING:-
1. This drawing is the property of the Architectural Firm & Consultant.
