To,
The Ex. Engineer
Hapur Panchayat Development Authority
Hapur

Sub: Regarding HT setting of group housing towers (Affordable housing) -D,E & F on Plot No. G11-01, Anand Vihar Scheme, Hapur.

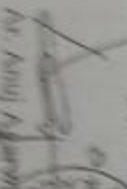

Sir,

The tower naming D, E & F of Plot No-G11-01 are identical /same as the towers naming A, B & C of plot No, G11-03, and are constructed nearby with same soil condition and topography. Since the structure design and calculation's HT setting from Rooftop of towers A, B & C has already been done and there is no single change in Architectural & Structural design of tower D, E & F, so the setting of structural drawing of towers D,E & F is not required.

This is to further certify that the structure design of tower D, E & F of Affordable Group Housing Scheme at Plot No. G11-01, Anand Vihar Residential Colony, Hapur (U.P.) satisfies the safety requirement as stipulated in the Indian standard codes & National Building codes guide line of the building bye laws in respect of structural safety in general & national hazards including earth quake in particular.

Type of flats	Block name	No. of floor

Thanking you
