Sub: Integrated township in village Sarsawan on Sultanpur Road, Lucknow- Renewal of No Objection Certificate regarding

This has reference to your letter No. F 83853/C-5/NOC-592/ 16 dated 19.07.2016 and our subsequent response dated 15.12.2016 regarding the subject matter.

We wish to submit that the township is still under construction on the basis of the environmental clearance received (Refer **Annexure - 1**). We had also received the NOC and submitted our application for renewal for the same. About 60% of the township area has projects being executed on it which are in various stages of construction from footing to plastering. Projects such as Omaxe Residency-II, Omaxe Waterscape, Grand Omaxe and Omaxe Hazratganj are under construction and the overall construction percentage at township level is approximately 13%.

In view of the additional time required for completing the construction, we request you to grant Consent to Operate for an additional 5 years.

Please do not hesitate to contact us for further clarification.
