Shri. V. D. Sharma  
Optimum Design (P) Ltd.,  
Consulting Engineers,  
2C/335, Vasundhara,  
Ghaziabad - 201 012.

Subject: Assessment of Proposed Residential Group Housing at Pocket P-1,  
Landcraft Golf Link (Integrated Township), Village Mehrauli, Ghaziabad, U. P. of  
Optimum Design Pvt. Ltd. Ghaziabad.

Dear Shri. Sharma,

It is certified that the structural vetting of the proposed residential group housing at pocket P-1, Landcraft Golf Link (Integrated Township), village Mehrauli, Ghaziabad, U. P. of Optimum Design Pvt. Ltd. Ghaziabad has been conducted for Tower A (Part 1, 2 and 3), Tower B (Part 1, 2 and 3) and Tower D (Part 3). The design and drawings are in accordance with the following Codes of Practice by Bureau of Indian Standards (BIS).

1. IS 875: Part I, II and III - 1987
2. IS 456: 2000
3. IS 1893: 2002
4. IS 34: 1987
5. IS 13920: 1993
6. IS 2950 (Part 1): 1981

The analysis and design approach using SAFE and ETABS software packages and the structural drawings for the aforementioned structures are alright. Final execution may be subjected to minor modifications if required at the later date.

Thank you.

Dr. VASANT MATSAGAR  
Associate Professor  
Department of Civil Engineering  
Indian Institute of Technology Delhi  
Hauz Khas, New Delhi-110016

Yours Sincerely,

  
(Vasant Matsagar)
