Sub.: Ground water extraction permission for our infrastructure project "Omaxe Aananda" Plot GH-II, Part - 1, Hi-Tech City, Allahabad, Uttar Pradesh

Sir/ Mam,

We have established a group housing project called "Omaxe Aananda" Plot GH-II, Part - 1, Hi-Tech City, Allahabad, Uttar Pradesh. The total area of "Omaxe Aananda" is 10.86 acres.

Within the above mentioned project, we had received Environmental Clearance for construction of group housing in an area of 10.86 acres and built up area 1,15,561.05 sq.m. vide letter no. 273/Parya/SEAC/3674/2015 dated 07.10.2016. The EC was for group housing construction under category 8(a) within the township since the built up area was less than 1,50,000 sq.m.

The Group Housing is nearing completion and we are desirous of making borewells to supply water to the residential projects. As per point no. 11 of the above mentioned environmental clearance letter (given as Annexure 7 to the Application enclosed), we have to "obtain necessary clearance from the competent authority on the abstraction and use of ground water during the construction and operation phases".

Thus, we are applying for withdrawal of ground water for our infrastructure project. We have applied online and the printout of the same is attached along with the demand **Demand Draft No. 000917 of Rs. 1000 from Axis bank** in favour of POA, CGWB payable at Lucknow.

We request you to process our application at the earliest. Please do not hesitate to contact us for further clarification.

Thanking You

For Pancham Realcon Pvt. Ltd.
