Structural design calculations and drawings for M/S S.C.C. Builders (P) Ltd. proposed C/O Group Housing at Khasra No. 1010, 1011 & 1012 at Village Noornagar Ghaziabad (U.P.) were submitted by M/s. Swati Structure Solution Pvt. Ltd. to IIT Delhi for checking the design adequacy.

The structural design and drawing has been checked and corrected for compliance with the provisions of relevant Indian Standards. Discussions were also held with the Consultant. Clarifications were given by the Design Consultant on all the queries.

The revised structural design and drawings submitted to IIT Delhi are adequate in accordance with the provisions of relevant Indian Standard codes of practices for design of reinforced concrete buildings IS: 456, IS 1893 and IS 13920. The design calculations and drawings stamped by IIT Delhi showing framing plan, foundation plan, general arrangement, concrete member sizes and reinforcement are duly approved for documentation (Submission) purposes only.

The responsibility of the Indian Institute of Technology Delhi shall be limited to technical advice as above. All procedural/legal/operational matters will be the responsibility of the company.

Sincerely,

Alok Madan
