	100% organic cotton jersey
	100% with ultra-soft wool
	20% COTTON, 80% POLYESTER, 20% WOOL
	100% cotton, 100% wool

[illegible]

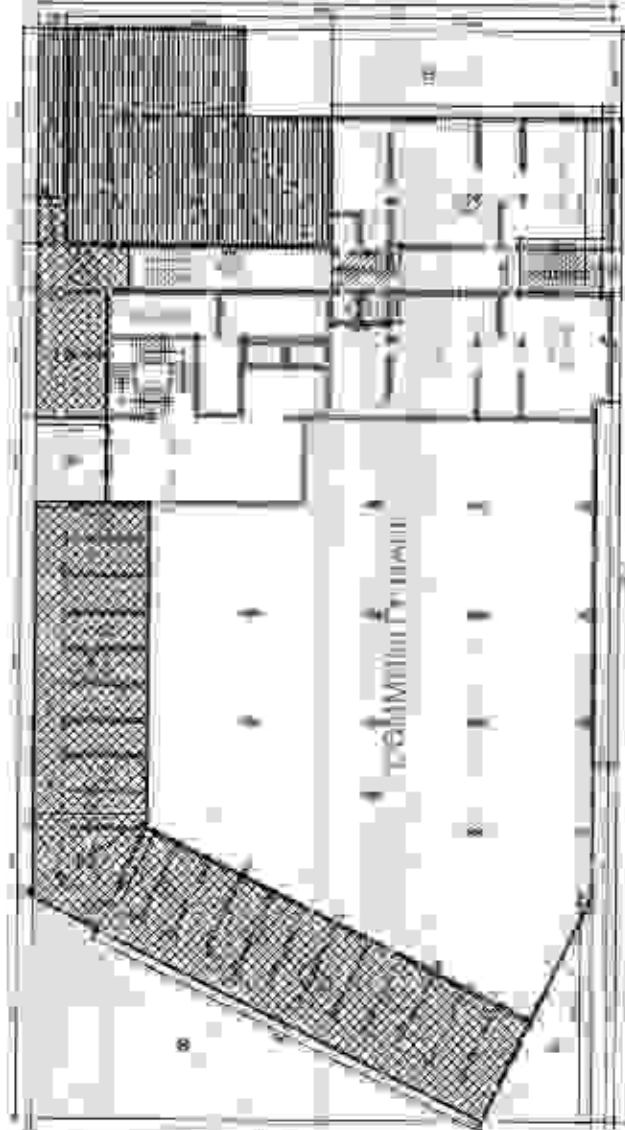

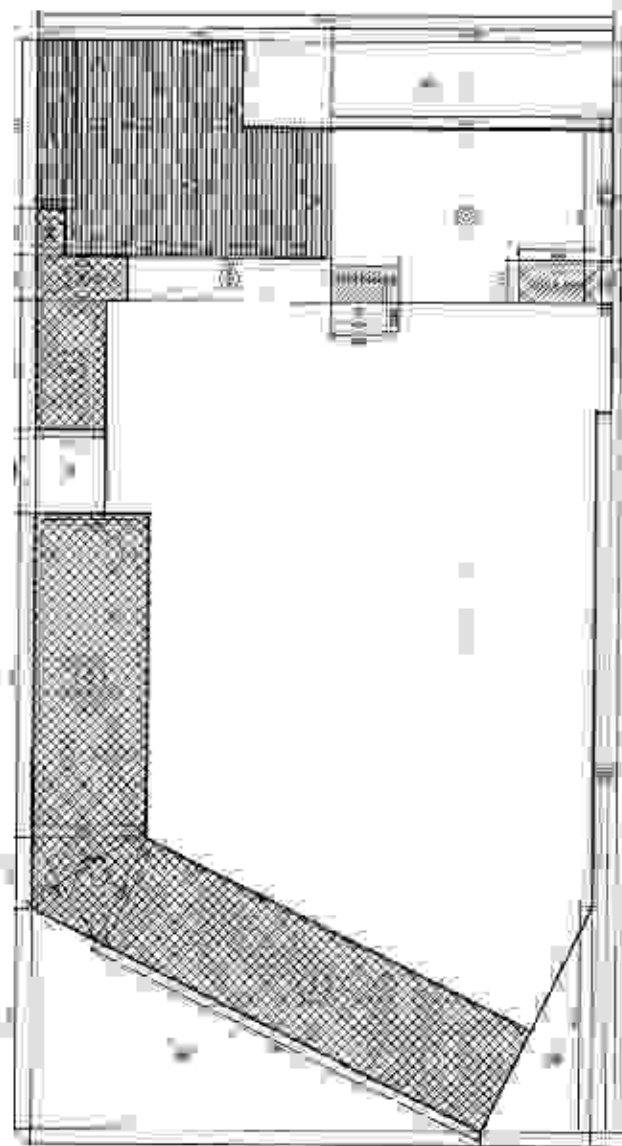

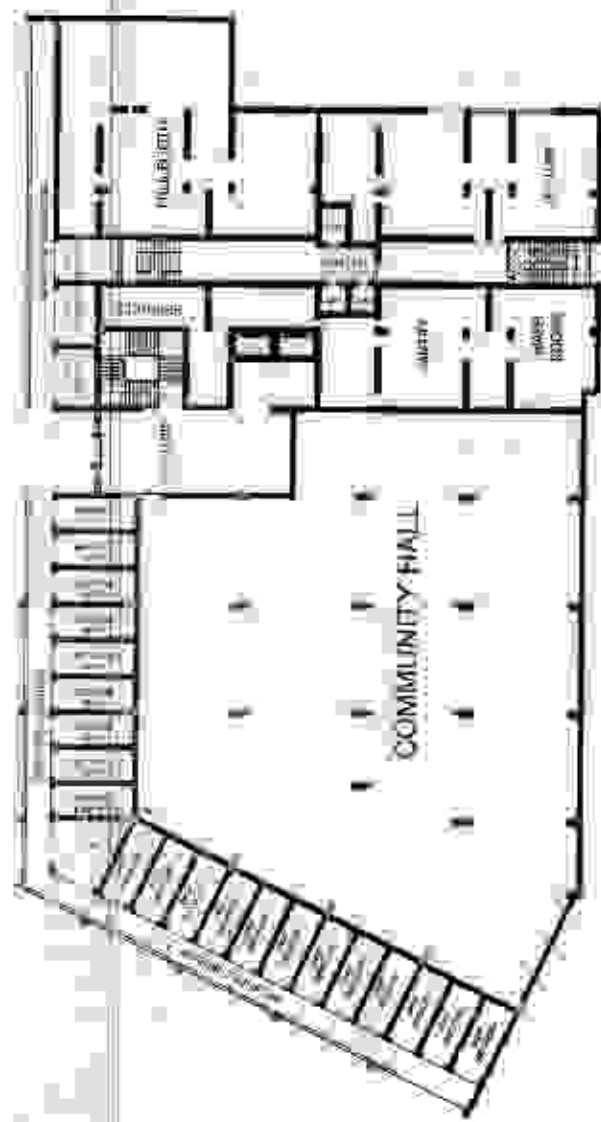

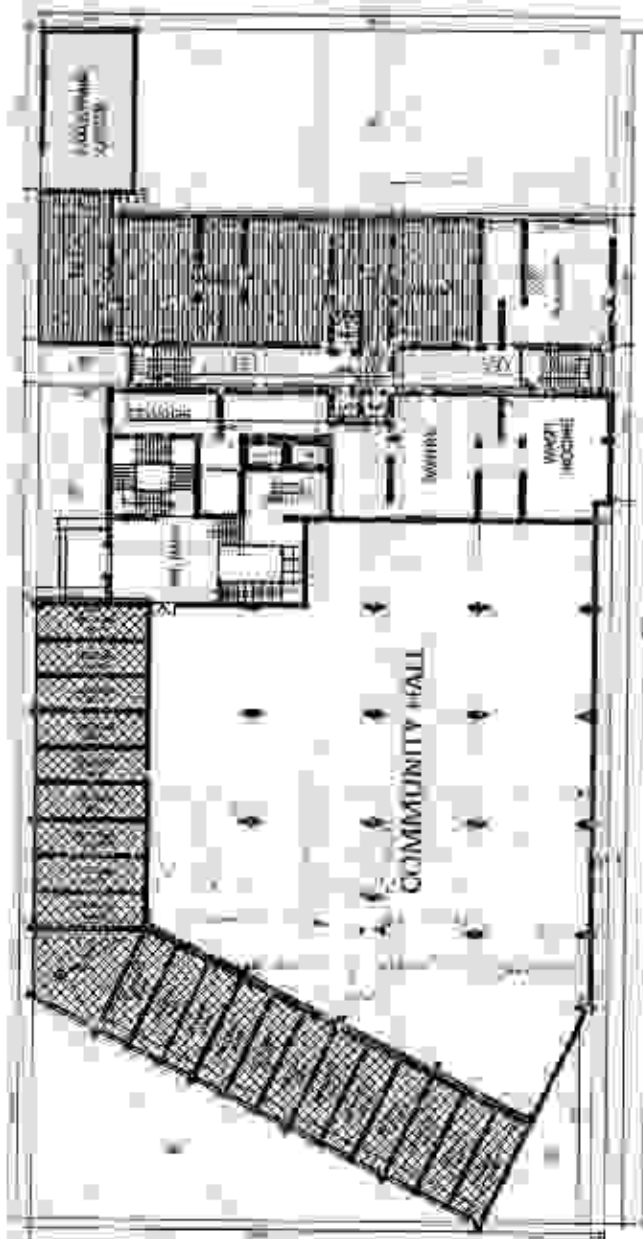

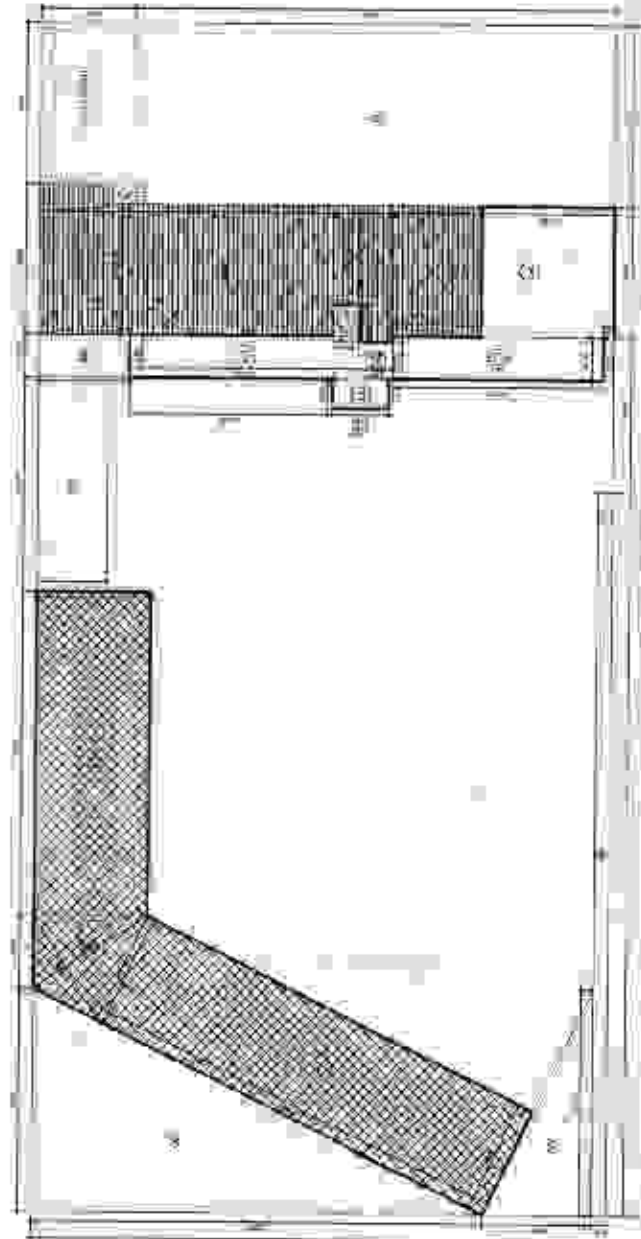

Figure 1 consists of two line graphs. The left graph shows the percentage of respondents for various life events (1-10) and stressors (1-10). The right graph shows the percentage of respondents for various life events (1-10) and stressors (1-10). Both graphs show a general downward trend in percentage as the number of life events/stressors increases.
