the same way, the 1996 conference did not include a separate session devoted to the environment as the 1994 conference did. The 1996 conference did have a session on the environment, but it was not as prominent as the 1994 conference's session on the environment. The 1996 conference did have a session on the environment, but it was not as prominent as the 1994 conference's session on the environment.
