At the time of the issue of the first set of notes
it was found that the public had a great demand
for the first set of notes and the Government
had to issue a second set of notes to meet the
demand. The first set of notes was issued in
the year 1862 and the second set was issued
in the year 1863. The first set of notes was
issued in the year 1862 and the second set
was issued in the year 1863. The first set of
notes was issued in the year 1862 and the
second set was issued in the year 1863.
