The floor plan illustrates the layout of the 1st floor, featuring a central vertical corridor with stairs and elevators. To the left of the corridor is a large Open Terrace (1200 mm high) and a Fire Water Tank (CAP. = 10,000 LTS). To the right is another large Open Terrace (1200 mm high) and a Domestic Water Tank. The plan also includes a Machine Room, a solar heating system, and several smaller rooms and terraces with specific dimensions and heights. The overall design is symmetrical around the central corridor.
