2) Furniture & its Arrangement is Indicative and not Included in apartment.

Date Description

Drawings shown on this page to design intent only. It is the responsibility of the contractor to verify all dimensions on site, in preference to scaling. Contractors and consultants are to verify all dimensions on site, produce shop drawings, check calculations and verify materials to be used before commencing work. All dimensions are to be verified by designer. All layout, finishing and details (except for marks of openings) are to be verified by designer. All specifications not stated by architect / designer shall remain as per contract documents.
