

This architectural floor plan illustrates a multi-unit residential building, likely a four-story structure, with a detailed mechanical layout. The plan is divided into several units, each containing a living area, kitchen, and bedrooms. Key features include:

- Units and Rooms:** The plan shows multiple units, each with a living area (e.g., 15.00 x 18.00), a kitchen (e.g., 6.25 x 10.00), and bedrooms (e.g., 11.00 x 12.00). Bathrooms and closets are also indicated.
- Mechanical Layout:** The plan includes a central mechanical shaft with stairs and elevators. Various mechanical components are labeled, including ducts (DUCT), fans (FAN), and coils (COIL). The layout shows the placement of these components relative to the building's structure and the units.
- Dimensions and Area:** Room dimensions are provided for many areas, such as 15.00 x 18.00 for a living area and 11.00 x 12.00 for a bedroom. The overall dimensions of the building are 15.00 x 18.00.
- Orientation and Scale:** A north arrow is located in the upper right corner, pointing towards the top right. A scale bar is provided in the lower right corner, indicating a distance of 15.00 feet.
