Waste Disposal Plan

We, at Anee, committed to provide a well established waste disposal plan with the help of local government. The local authority has a well-planned waste management, forming part of the Lucknow Authority. The details can be briefed as follows:

- The cleaning personnel shall collect the waste from the houses.
- Those people shall dispose the waste at the place designated by the local authority,
- The cost incurring on those people shall be borne by the local people and the people who avail such service.
- The local authority also authorized to provide such service.
- Other useful disposal plans are in pipeline for the local people of the ambience.

Thanking you,
